Good evening,

Per your request, please find the final version of my ebook novella THE SUICIDE SQUAD attached.

(b)(5)

As I noted previously, this will be a digital only novella, so this will be the final submitted copy for converting into ebook format. I plan to do this immediately after your review in order to begin scheduling events in late March/early April.

As always, thank you for your time and assistance.

Best,

Tom Waters
